Press Release

Cedarcrest Academy Makes Plans for New Campus with Swan Architecture

Cedarcrest is pleased to be mapping out plans for future campus with Swan Architecture.

Maple Grove, MN, December 2nd, 2011: Cedarcrest Academy

On November 21, 2011, Cedarcrest Academy held a listening session with Swan Architecture. Architects, Andrea Swan and Peter Musty spoke about the process of conceptual design and listened to what parents value in a school program.

Swan Architecture will be working over the next two months to illustrate a concept and design for Cedarcrest Academy's new campus. This first meeting was meant to help the architect understand the school and the programs offered for elementary students. The conceptual renderings will depict a new Catholic school for the Maple Grove building site, which is located east of Lawndale on Bass Lake Road.

Andrea will return over the next several months to show preliminary renderings and listen to feedback. The new school concept will be unveiled at Cedarcrest Academy's 2012 Spring Gala on February 4, 2012! For information on Cedarcrest Academy: www.cedarcrest.org
